

Science - Living things in their habitats

As scientists we will...

- Identify and group living things
- Recognise how plants and animals adapt to their environments
- Understanding food chains
- Recognise dangers and environmental changes to habitats.

Design and Technology

In our D&T we will understand how levers and linkages work, explore different types of levers. Look at how linkages create systems to make movement. Look at levers and linkages all around us and create a simple system to move an item using a lever or linkage.

RE

In RE this term we are answering the question – Does it matter what we believe about creation?

Music

As musicians we are learning to sing and play along to Livin' on a prayer by Bon Jovi

Kestrel Class

Autumn Term 1 - 2025

School Value: Thankfulness

English

As readers and writers, we are...

- continuing to build a bank of words that we can spell correctly supporting our growing knowledge
- becoming fluent readers, exploring a wide range of different genres as well as reading for pleasure
- Fiction - The first Drawing by Mordicai Gerstein, linked to our History topic. Concentrating on descriptive writing, historical settings and re-telling.
- Non-fiction - The Crown by Emily Kapff, where we will write a diary entry in role, descriptive poems and an information text - a 'book of wonder'

Maths

As Mathematicians, we are ...

3/4 – add and subtract across 10, numbers to 1000, additive relationships and mental calculations

5/6 – decimal fractions and money

French

As linguists we will be learning the how to greet each other, how to ask each other their names and ages and respond correctly. We will learn numbers 1- 11 and recap throughout the term.

History – The stone Age

As historians, we will be investigating...

- Pre-history
- Early humans
- Palaeolithic
- Mesolithic
- Neolithic

PE

In PE we will be developing our teamwork, carrying out different tasks/games in small teams. We are also practising our ball skills. **Monday and Fridays**

Computing

In computing, we will be learning about networks and systems and how to effectively search in internet.

Mrs Rood

PSHE

This term we will be learning the importance of family and friendships. **Mrs Rood**
